REMARKS

1. About 35 soldiers wearing red-bordered black epaulets with tank insignia practiced firing with two T-34 tanks at the Techentin airfield near Ludwigslust (M 54/T 53) on 15 June 1950.
2. Very little activity by military personnel was observed in the new and old Reiter Kasernes from 5 to 16 June 1950. Three to five trucks, each occupied by 8 to 12 TM wearing red-bordered black epaulets, were repeatedly seen engaged in drivers' training. The trucks came from the new Reiter Kaserne.
3. Motor vehicles observed in Ludwigslust from 5 to 16 June 1950

4. On 16 July 1950 two trucks, [redacted] left a Ludwigslust bakery heading toward Grabow. The trucks had picked up 1,250 bed sheets, 1,050 pillow cases, 1,600 shirts and 1,350 underdrawers on 12 and 16 June 1950. They allegedly came from the summer camp near Wittstock. *

* Comment. The report confirms the location of the elements of the 18th Mecz Div from Ludwigslust in the Schweinrich maneuver area near Wittstock prior to mid-June 1950.
